

QUE PASA

An occasional missive to the members of the Mission Bay Women's Golf Club

BIRTHDAY GREETINGS : October birthday greetings go to: Jan Ainsworth, Mary Chrysler, Nancy Davis, Suzy Leif, Kimberly Lynch, Jackie Mlekoday, and Judy Nissen. May your drives be long and straight, and you score no worse than par.

CONGRATULATIONS to the newest Hole in One! Woo! Hoo! Katy Christensen scored a hole in one on Sept 17. Lucky hole #2.

Gretchen Vedder,

Linda Trost, and Laura

Short witnessed this fete. The HIO pot needs filling. If you wish to participate, please give your \$5 to Jan Ainsworth. You could be next.

HOUSEKEEPING: In regards to Hole #12 and its shabby fairway. Get over it! The grass will grow back soon enough. Just play the ball where it lies, as per USGA rules. Everyone has the same challenge.

Good job keeping up with pace of play. Gretchen may have suggested a solution to the traffic jams on the back nine. The pro shop should give her a medal for making the suggestion that two groups start on hole #10, and two groups on hole #8. Public golfers should sing her praises as well. Hopefully, there will be no screaming matches going forward.

UPCOMING EVENTS: The President's Cup is scheduled for October. The event, a best of 2/3 matches (lowest net score), will be held on October 8, 15, and 22 (the membership booklet omitted Oct 22). It is not necessary to play all three games, but if you wish to be considered for the tournament, you must play at least two.

Fall Scramble/Luncheon is scheduled for October 29. Lamont Grill will cater the luncheon. The sign up sheet for the scramble should be available soon. Due to rising costs, the price of the luncheon is \$35.

KUDOS TO OUR SENIOR GOLFERS: On Tuesday, Sept 24, the San Diego Senior Games held its golf tournament at Native Oaks Golf Course in Valley Center. The course was in great shape, but it was hot, hot, hot! MBWGC was represented by three golfers: Gretchen Vedder, Shirley Rehkopf, and Treasa Skiles. Each golfer medaled in their respective age division (you can ask them which age division they occupy). Gretchen took Silver, Shirley took Gold, and Treasa took Bronze. Congratulations ladies. You do MBWGC proud. Next year, perhaps more of our members will venture into the Senior Games.

Gretchen took Silver, their respective age

Shirley took Gold, and Treasa took Bronze in divisions.
