

QUE PASA

An occasional missive to the members of the Mission Bay Women's Golf Club

BIRTHDAY GREETINGS

: September birthdays include: No birthdays this month so, a very merry Unbirthday to us all!

If you wish to be honored on your birthday month, please let either membership chair, Mary Chrysler, or Que Pasa editor, Treasa Skiles, know. We never mention the year, only the month, as we are ageless!

Shirts: Members saw two different styles, colors, and fabrics suggested for the Club shirt. More options are in the offing. Stay tuned!

Pace of Play: Good job maintaining pace of play even though some of the games might be new. Keep up the good work!

Please continue to arrive ready to play by 7:45 to get an overview of the day's game, and be at your appointed starting hole for the 8 a.m. shotgun start.

Looking Ahead: There is still time to enter the Senior Games Golf Tournament to be held on Tuesday, Sept 23, at Native Oaks. Visit the website for more information: <https://www.sdseniorgames.org>
